Each order includes an initial proof and one revision. Each additional proof is charged at $15.00 each.

This proof is an original rendering by Image360 - Scottsdale. Reproduction of this design or construction based on this design is prohibited and subject to legal remedy.

It is the client's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout, color, sizes, quantities and design BEFORE APPROVING the proof. We are happy to fix any errors before APPROVAL or answer any questions. The final product will look like as shown on this proof with the exception of some logos/art may appear blurry because the proof is low resolution. We can email a screen shot of any areas you are concerned about at 100% size to show how it will print. If a proof containing errors is approved by the client, it is the client's responsibility for payment of all original costs of printing, including corrections and reprints.
