Per Section 7-130.4 of the Lee's Summit Code of Ordinances there shall be four (4) separate classes of licenses authorized for contractors as provided below. When obtaining or renewing your business license you must designate which class of license(s) is being requested.

- **Class A – General Contractor.** A General Contractor License shall entitle the holder thereof to construct, remodel, demolish or repair any structure. Said contractor shall not engage in any mechanical (HVAC), plumbing, or electrical services unless also properly licensed as a Class D Contractor.
- **Class B – Building Contractor.** A Building Contractor License shall entitle the holder thereof to construct, remodel, demolish or repair all structures not exceeding three stories in height. A Class B License shall also entitle the license holder to perform non-structural remodeling, tenant finish, and repairs of all structures. Said contractor shall not engage in any mechanical (HVAC), plumbing, or electrical services unless also properly licensed as a Class D Contractor.
- **Class C – Residential Contractor.** A Class C License shall entitle the holder thereof to construct, remodel, demolish or repair any single family, duplex, or townhouse structure and buildings accessory thereto. Said contractor shall not engage in any mechanical (HVAC), plumbing, or electrical services unless also properly licensed as a Class D Contractor.
- **Class D – Mechanical, Electrical and Plumbing Contractors.** A Class D License shall entitle the holder thereof to perform mechanical (HVAC) services, plumbing services, or electrical contractor services. Said contractors shall be specifically licensed for each trade in which they desire to perform work and shall not engage in any work entitled by Class A, Class B, or Class C contracting services unless also properly licensed to perform said work.
