

## LEE'S SUMMIT MISSOURI

Dear Business Owner:

Enclosed you will find the business license renewal application for the license year July 01, 2024 through June 30, 2025. Please take a moment to review the information. Pay particular attention to the business address noting any corrections or additions.

### **WORKERS' COMPENSATION AFFIDAVIT FORM FOR CONTRACTORS**

Under the Missouri Workers' Compensation Law (sec 287.061 RSMo.), a contractor in the construction industry seeking a Business License must provide proof of workers compensation insurance coverage, an affidavit or exemption form. Please submit proof of workers compensation insurance coverage with the City of Lee's Summit being certificate holder along with your application renewal.

### **INFORMATION FOR GENERAL, BUILDING, RESIDENTIAL, ELECTRICAL, PLUMBING AND MECHANICAL CONTRACTORS**

General, Building, Residential, Electrical, Plumbing and Mechanical contractors (as defined below) will need to provide documentation on the "master" for their company; the City of Lee's Summit has reciprocal agreements with various jurisdictions including but not limited to, Independence, MO, and Johnson County, KS, in which we accept proof of Master/Craftsman's License; or a score of at least 70% on the Prometric, ICC Contractor, or equivalent exam. Business licenses will not be processed without "master" certification documentation. The insurance requirement is \$300,000 General Liability, \$300,000 Property Damage and \$100,000 Contractual coverage, with the City of Lee's Summit being certificate holder. Proof of insurance, contractor certification and business license documentation should be sent to the **Development Center**.

#### **Contractors wishing to obtain a new license:**

New contractors wishing to obtain a business license will be required to show proof that one full time employee within the firm possesses:

- a certificate of competency from a nationally recognized testing institution with a 70 percent score; or,
- holds a bachelor's degree in engineering, architecture or construction science from an accredited college or university.

#### **Contractors wishing to renew their 2023/2024/2023/2024 contractor license:**

Any contractors who currently hold a contractor license and wish to renew their license shall provide evidence of obtaining the required 8 hours of continuing education in the past twelve months to the **Development Services Department**. Contractors who are unable to provide evidence of recognized continuing education may renew their contractor license, however an additional \$100 renewal fee will be applied for failure to complete required continuing education.

Per Section 7-130.4 of the Lee's Summit Code of Ordinances there shall be four (4) separate classes of licenses authorized for contractors as provided below. When obtaining or renewing your business license you must designate which class of license(s) is being requested.

- **Class A – General Contractor.** A General Contractor License shall entitle the holder thereof to construct, remodel, demolish or repair any structure. Said contractor shall not engage in any mechanical (HVAC), plumbing, or electrical services unless also properly licensed as a Class D Contractor.
- **Class B – Building Contractor.** A Building Contractor License shall entitle the holder thereof to construct, remodel, demolish or repair all structures not exceeding three stories in height. A Class B License shall also entitle the license holder to perform non-structural remodeling, tenant finish, and repairs of all structures. Said contractor shall not engage in any mechanical (HVAC), plumbing, or electrical services unless also properly licensed as a Class D Contractor.
- **Class C – Residential Contractor.** A Class C License shall entitle the holder thereof to construct, remodel, demolish or repair any single family, duplex, or townhouse structure and buildings accessory thereto. Said contractor shall not engage in any mechanical (HVAC), plumbing, or electrical services unless also properly licensed as a Class D Contractor.
- **Class D – Mechanical, Electrical and Plumbing Contractors.** A Class D License shall entitle the holder thereof to perform mechanical (HVAC) services, plumbing services, or electrical contractor services. Said contractors shall be specifically licensed for each trade in which they desire to perform work and shall not engage in any work entitled by Class A, Class B, or Class C contracting services unless also properly licensed to perform said work.

***\*\*\* Contractors performing roofing, painting, insulation, guttering, door/window replacement, lawn irrigation, and other similar work are not required to be licensed as noted above. If you are unsure as to whether or not your business requires a Class A, B, C or D contractor license, please contact the Development Center 816-969-1220.***

To avoid delay in permit processing or completion of inspections, please insure that all subcontractors are licensed in the City of Lee's Summit.

#### **CONTRACTOR BUSINESS LICENSE FEES**

Please be advised that the business license fees for all contractors (as defined above) will be calculated as follows:  
\$50.00 (base license fee) + \$25.00 (per class designation)

#### **BUSINESS LICENSE FEES INFORMATION**

As governed by City Ordinance #28-30, the base license fee is \$50.00. Businesses are required to have a separate license for each location.

All renewals not received by August 30, 2024 will be considered delinquent and subject to penalty. Penalty is 5% per month not to exceed 25%. Please make checks payable to "City of Lee's Summit".

**\*\*IMPORTANT!** If you would like to **RENEW** your Business License online, please visit <https://devservices.cityofls.net/renew-business-license.html> for instructions.

If you will **not** be doing business in Lee's Summit during the next Business License year and you are not located in Lee's Summit, **please send notification.** If you should have questions regarding your renewal, please contact the Development Services Department at 816-969-1220.
