Hi Adair,

Thanks for reaching out and your help with the other signage!

Regarding the sign permit for the mural at Craft Putt, you can go ahead and close the application for Project PRSGN20251920. We haven't heard back from the customer, and they've already completed payments for their other signs.

We had suggested placing this on a separate order, but they haven't followed through. If anything changes in the future, we'll be sure to re-open the application.

Thanks,
Permits

Hi, I just wanted to check in on the sign permit for the mural at Craft Putt. Is this still being requested or would you like to withdraw the application?

Just a heads up - I went ahead and input the information into our permitting system and denied it as we talked about. The link leads to the portal and my comment outlines the reason for denial and the alternatives as well.
