

PUBLIC WORKS ENGINEERING DIVISION

Inspection Summary

Permit #:PRPWRW20252591, Public Works Right of Way Permit
Address: 414 SW PERSELS RD, LEES SUMMIT, MO 64081

This work has been inspected and the inspection results noted below. Please call for re-inspection once all corrective actions have been completed. Do not cover any work until approved.

Inspection:	Inspector:	Outcome:	Date:
Site Visit Inspection	Bob Burns	Partial	Monday, August 04, 2025

Corrective Action Required

1 Misc

Site Visit - There is a small section 12"x12" I marked in pink to take another inch or two to get the depth but the rest of the approach meets depth and compaction requirements. They are not taking out the entire approach so it will be put back as it is. I spoke with Tabor and he will send me a copy of the concrete ticket.
