**RE: KH Construction Newberry Landing – Special Inspection Services – Final Report**  
Lot 294 Newberry Landing First Plat  
Lee's Summit, Missouri  
Olsson Project No. 025-00611

Dear Mr. Higdon:

In accordance with your request, Olsson, Inc. has provided construction observation and testing services for the above referenced project. Our services were performed on a part-time basis between March 18 and August 19, 2025.

**Final Report**

This report represents Olsson's final special inspections for the 294 Lot Newberry Landing First Plat project located in Lee's Summit, Missouri. The special inspection items observed and tested by our field personnel have included site grading, foundation bearing materials, reinforced concrete, and structural steel. The items observed and/or tested by our field personnel and explicitly reported in this or previously submitted summary reports were in compliance with the project specifications or have been reworked to meet the project specifications and/or project engineer's recommendations. At this time, all known discrepancies with the project specifications have been resolved.

If you have any questions regarding this report, or if we may be of any further service, please contact us at 913.829.0078.

Respectfully Submitted;  
**OLSSON, INC.**
