Corrections

1. All Sheets: a. A revision date of 9/17/2025 is shown in the bottom right hand corner of the plans, but no corresponding revision number was provided, nor was any apparent revision shown on the plans which would correspond to the date of these revisions. Provide a revision number (e.g., 6 surrounded by a triangle?), and show where these revisions were made on the plans.

Please contact me if you have any questions or comments.
