TO: Director of Development Services

In accordance with the Lee's Summit Building Code, I wish to apply for a modification to one or more provisions of the code as I feel that the spirit and intent of the Lee's Summit Building Code are observed the public health, welfare and safety are assured. The following articulates my request for your review and action. (NOTE: ATTACH ANY ADDITIONAL INFORMATION NECESSARY)
Request to use 2021+ code cycle which allows coed restrooms. The locker rooms are labeled per gender and contain restroom facilities.

Additional restrooms are provided across the ASC and clinic/med spa sides that exceed code requirements for each gender.

The interior layout employs a coed restroom concept for efficiency by reducing wait times and utilizing space better than segregated facilities. Additionally, the state has approved coed restroom use for their certification review.
