Re: Paragon Star Concessions - Lee's Summit, MO – City Comments

Ellen,

Please be advised that the specific hanging unit loading requirements for the above-referenced project have been updated.

This loading has been provided on an updated set of drawings for the truss manufacturer to account for in their final engineering and fabrication process. These revisions ensure that the truss design is fully coordinated with the latest structural requirements and conditions. Please refer to the latest drawings (Revision #2 – Permit Comments, dated March 2, 2026).

Please let us know if you have any further questions or concerns regarding this item. Thank you for the opportunity for BSE to provide our services.

Sincerely,
BSE Structural Engineers, LLC
