The route is attached. The race starts at 8 am and should finish by 11:30 a.m.; the crew will arrive to set up around 5:30 am. The college has plenty of parking, which we have already have approval to use and our crew will be there to manage it. We are getting an officer for the one street crossing on the route.

Thanks!

Kaleb,

We are still waiting for a route, narrative, description of how traffic control will be handled, etc., before we can issue the permit for this event. Please email me this information as soon as possible.
