Re: Saint Luke's East Hospital
Building F Permit #B1000039

Dear Mike:

I'm writing this letter to request permission to close out the City of Lee's Summit building permit number B1000039 and transfer any open items to permit number PRCOM20121010. As previously discussed, we've been asked by Saint Luke's to hold off on the remaining open items until the timing aligns better with other ongoing and upcoming work. Below is a list of items remaining to complete for permit B1000039.

- Construct Vestibule 1F008
- Construct Entrance 1F007B
- Completion of site work North of building as shown on sheet C2.0 and C3.0.

Please don't hesitate to contact us should you have any questions.

Sincerely,

J. E. DUNN CONSTRUCTION
