Jackson County, Missouri Public Works Department

Completion Date 8-16-12

### NOTES:

Hereby certifying that all of my necessary Missouri State Installer's requirements are current, the onsite wastewater disposal system project has been constructed according to the engineer's design criteria and the permit provisions as specified by the Jackson County Public Works Department. All encountered construction conflicts or discrepancies have been brought to the attention of the engineer and the completed installation complies with current Jackson County Rules and Regulations pertaining to onsite sewage disposal.

Installer State Certification No.: 33564 Exp./Renewal Date: 9-30-13  
Sign: Clark White Date: 9-26-12

Record of tank closure for 1515 SW Ward Rd., Lee's Summit, Missouri.  
Detailed information provided by the State Certified Contractor, and recent field evidence of completion, indicates a standard decommission procedure was successfully accomplished and all minimum necessary requirements recommended by State and County for routine tank closure have been satisfied. Permit issuance to conduct closure inspection was not requested by local jurisdiction.
