**RE: St. Luke's Hospital Private 8" Sanitary Sewer Relocation  
for the Radiation Oncology/ Urology Building  
PWorks Commercial  
PRPWFC20122635**

A Certificate of Substantial Completion for the infrastructure associated with the above referenced project satisfies the Public Works and Engineering approved plans for the relocation of 8" private sanitary sewer main. Incomplete items will be indicated in a punch list that must be completed in order to receive a Certificate of Final Acceptance from Public Works Engineering Inspections. Final Acceptance from the Public Works and Engineering Department is required in order for a Certificate of Final Occupancy to be issued from the Codes Administration Department for the new Radiation Oncology / Urology building.

If you have any questions about the above or any items listed on the Punch List please contact Bill Lyon Public Works Inspector, at (816) 969-1800.

By signing this letter, the developer acknowledges the receipt and accepts the terms of this Certificate of Substantial Completion.
