Fire Plan Review

Reviewed By: Jim Eden

Approved

1. Relocate alarm notification appliances that may be located on the demo'd walls.

Verified at inspection.

2. 2006 IFC 901.2- Construction documents. The fire code official shall have the authority to require construction documents and calculations for all fire protection systems and to require permits be issued for the installation, rehabilitation or modification of any fire protection system. Construction documents for fire protection systems shall be submitted for review and approval prior to system installation.

Adjust sprinkler head coverage as needed to maintain coverage.

Verified at inspection.

Building Plan Review

Reviewed By: Michael Weisenborn

Approved

1. 2006 IBC 1008.1.8.1 - Hardware. Door handles, pulls, latches, locks and other operating devices on doors required to be accessible by Chapter 11 shall not require tight grasping, tight pinching or twisting of the wrist to operate.

Action required - To be verified on inspection.

The approval of plans and specifications does not permit the violation of any section of the Building Codes or other City Ordinances or State Law.

The review conducted by the City of Lee's Summit Codes Administration Department shall not be construed as a structural review of the project.
