**Subject:** Rooftop Quote

Pam,

This is our quote to replace the rooftop system at your office.

Trane 3 ton rooftop package unit

Hail guards to protect the coil

Digital, programmable thermostat

Install includes: all materials to complete the install, all labor, all sales tax, crane rental, building permit

Removal of all old equipment from building and property is also included

Total amount: \$6,449

We will need to schedule a crane and based on its availability will depend on an install date. We will do all we can to do this work as soon as we have a green light from you. Please do not hesitate to call me with questions or concerns. Thank you for allowing us this opportunity to work with you on this project.

Respectfully,

Greg Latshaw

Joe:

Good Afternoon. The weight of the existing Lennox Unit, per a phone call with Lennox parts, is 526lbs. The new Trane unit that we will be installing on the roof is listed at 532lbs.

Thank you,
