---

Inspection Item:

Inspection:	Inspector:	Outcome:	Date:
PW-Site Visit	Jon Haley	Partial	Friday, September 26, 2014

Corrective Action Required

- 1 A water truck is needed to keep dirt and dust from leaving your site. All attempts should be made to keep this from happening.

Corrective Action Required

- 2 Went and looked at domestic water meter vault. 3" water line, told the contractor i would psi test the line and pull bac t samples. But mark would continue to look at construction of the line.

Corrective Action Required

- 3 Spoke with contractor about testing and water shut down. Went over about the next two weeks plans.
