1. Provide a copy of the 2015 Seasonal Fireworks Retailer Permit when it is available.
2. Tent inspections shall be scheduled through the Fire Department at (816) 969-1300. The Fire Department must inspect the product prior to be allowed to be open to the public.
3. The tent shall be located a minimum of 100 feet from the residential lots to the south. This will allow the property owners to the south to legally discharge fireworks if they choose to.
