Re: 3102 SE 3rd Terr.

Our firm examined the preparation for the suspended garage slab today at 3102 SE 3rd Terr. for which permit 2015-1270 has been issued. The forms and reinforcement were found to be clean, well aligned and properly supported in compliance with approved plans.

Our firm recommends approval of the preparation for the placement of concrete.

Very truly yours,
HD ENGINEERING & DESIGN, INC.

Todd Langenhorst, Senior Field Tactics Liaison
