RE: Permit No. PRCOM20152091

Downtown Lee's Summit Main Street would like to move into the new office at 13 SE Third Street beginning the first week in November. I have final inspection scheduled for 11:30 AM Friday, October 30th. However, the exterior approach/improvements will not be completed by this date. I am asking for occupancy to be given under the condition that we will have a design approved and constructed within six months.

Thank you very much,

Brad Culbertson
