**RE: A15143 - Jimmy John's Gourmet Sandwiches**  
3680 NE Akin Drive, Suite 142  
Lee's Summit, MO 64064

---

Please accept this as our written approval of capping off the existing grease trap. Jimmy John's operation does not produce any grease waste; therefore a grease trap is not required.

Contractor shall ensure all installations will comply with required building codes and City of Lee's Summit standards.

Please call me directly if you should have any questions or need further clarifications. Thank you.

Sincerely,

Chris Cooper A.I.A.
