Re: John Knox Village Meadows  
400 NW Murray Road  
Lee's Summit, MO 64081

Mr. Weisenborn:

Please accept this letter as confirmation that KTI has been employed to provide Special Inspection Services for the above referenced project. At this time we anticipate the following Special Inspections to be required:

Placement of Reinforced Concrete  
Testing of Reinforced Concrete  
Placement of Reinforcing Steel  
Bolts in Concrete  
Post-Tensioned Concrete  
Post Installed Anchors  
Steel Frame Inspection  
High Strength Bolting  
Structural Welding  
Structural Masonry  
Verification of Soils  
Soil Bearing Capacity  
Engineered Grading and/ or Fill

Should any additions or changes to these requirements occur during the project, we would notify your office as soon as those changes are identified.

Sincerely,  
Kruger Technologies Inc.

Dylan Z. Kruger  
Vice President
