Re: 1353 NE Brandywine  
Permit # 2016-2248  
Lee's Summit, MO

Apex Engineers, Inc. observed the preparation for the suspended garage slab for the house under construction at the above referenced address.

The forms and reinforcing steel were found to be clean, well aligned, properly supported and in compliance with the on-site, city-approved prints.

Our firm recommends approval of the suspended garage slab for the placement of concrete. This report does not constitute approval by the enforcing jurisdiction.

---

#### LIMITATIONS

The recommendations and conclusions given in this report are based on the observed conditions at the time of this site visit. The scope of our services was only to observe the installation of the slab formwork and reinforcing steel.

Please call if Apex Engineers, Inc. can be of further assistance.

Best Regards,  
Apex Engineers, Inc.
