Inspection Item:

Inspection:	Inspector:	Outcome:	Date:
PW-Stabilized Subgrade	Steve Robbins	Partial	Monday, May 22, 2017

Informational
1   On friday and today they are installing geo-grid and rock in the parking lot off the Moore st. entrance. I talked to Mike W. and he said they got permission to make the parking lot spaces a few feet shorter because of the retaining wall took up a few more feet than they expected.Steve Robbins 05/15/2017 9:57 AM

Informational
2   Nothing was done with the sidewalk today, I took over this project from Glenn Martin, all the water, storm and sanitary has been installed and tested. They still have the parking lot to do.Steve Robbins 04/12/2017 3:52 PM

Informational
3   Today they are installing the geo-grid and rock for the parking area off of moore st, they are about halfway finished with the area.Steve Robbins 05/11/2017 2:19 PM

Informational
4   They have not done anymore installation of the rock and geo-grid.Steve Robbins 05/17/2017 3:16 PM

Informational
5   All of the subgrade rock has been installed on the Moore st. entrance, the were getting the curb stakes installed this morning. I talked with Jim from Paric last week and he just wanted to know if all the inspections were up to date. I talked to Glenn Martin and he said all the water, sanitary and storm had been completed and all the water samples. I am finishing up the parking lot, sidewalk and any other things that come up with getting this project finished.Steve Robbins 05/22/2017 3:40 PM
