Re: Special Inspection Letter of Intent
 Saint Luke's East – OR Addition #2 – Footings & Foundations
 20 W. NE Saint Luke's Boulevard
 Lee's Summit, Missouri 64086

Dear Mr. Frogge:

Professional Service Industries, Inc. has been retained by Saint Luke's Health System to provide a portion of the required Special Inspections on the referenced project. PSI will be responsible for the following Items:

- Engineered Grading & Filling (Building Pad)
- Drilled Piers (excludes pier caps and grade beams)
- Shallow Foundation Subgrade Verification (Southwest side retaining wall footing)
- Placement of Reinforcing Steel for Piers and SW side retaining wall footing
- Reinforced Concrete for Piers and SW side retaining wall footing

I will be the Special Inspector of Record for the above listed items. My Missouri Registration Number is E-22563.

It is my understanding that SEA will provide the remaining Special Inspections. If you have any questions concerning this information, please contact this office.

Respectfully submitted,
INTERTEK / PSI

William E. Odell, PE
Project Manager
