

Dear Madam/Sirs,

We, the undersigned, hereby request that a foundation-only permit be issued for construction of the project at the address noted below. By signing below, we agree to comply with all applicable laws and ordinances regulating this construction project. We understand that the issuance of this foundation-only permit is based on the foundation drawing(s) stamped "approved" by the City of Lee's Summit. We understand further that any corrections, including, but not limited to, removal of foundation concrete work, footing concrete work, pilings, and removal or change of any other portion of the work will be done at the sole expense and liability of the owner. We agree to proceed with construction only to that point that constitutes foundation work. We are requesting a foundation only permit to ensure our project will be finished in a timely manner. We would like to begin foundation work as soon as possible to ensure we can finish the foundation before we have any further delays due to inclement weather. By signing below, the owner certifies that he/she is the owner of the real property for which this foundation-only permit is issued. Thank you for your time and consideration in this matter for the property located at:
