

**PUBLIC WORKS ENGINEERING DIVISION**

**Certificate of Substantial Completion**

**Date:** Wednesday, March 07, 2018

**To:** SRKO LLC  
24 NW Chipman Rd.  
Lee's Summit, Mo. 64086

**Project Title:** Summit Eye Care  
**Permit Number:** PRPWFC20172853  
**Permit Type:** Public Works Infrastructure Permit - Commercial  
**Permit Work Class:** Development Complete  
**Project Address:** 1621 NW BLUE PKWY, LEES SUMMIT, MO 64086

**Project Parcel #:** 51600031500000000

This Certificate of Substantial Completion for the infrastructure associated with the above referenced project satisfies the Public Works portion of the requirements for a building permit. The infrastructure for this subdivision has been installed and tested and can be used for its intended purpose. Incomplete items will be indicated in a separate punch list letter. The Punch List will indicate corrections and documentation that must be completed in order to receive a Certificate of Final Acceptance from Public Works. A ninety (90) calendar day time period commences from the above date of issuance for completion and submittal to the City of all required final acceptance items as directed in the City of Lee's Summit's, Design and Construction Manual, Ordinance 5813. After all requirements have been met, a Certificate of Final Acceptance will be issued. If the Certificate of Final Acceptance is not obtained within the specified time period, issuance of building permits shall be suspended until the requirements are met.

**Erosion and Sediment Control**

Erosion and sediment control must be established/installed according to Lee's Summit's Design and Construction Manual Sections 1000, 2150, and 5100. Erosion and sediment control must be established/installed immediately and maintained continuously - the 90 day completion period which may apply to other punch list items does not relate to erosion and sediment control.

**Public Infrastructure**      Quantity

|                |                 |
|----------------|-----------------|
| Sanitary Sewer | _0_ linear feet |
| Stormwater     | _0_ linear feet |
| Street         | _0_ linear feet |
| Water          | _0_ linear feet |

Building permits will be frozen on if all items on the punch list are not completed. If you have any questions about the above or any items listed on the Punch List please contact Steve Robbins, Field Engineering Inspector, at (816) 969-1870.

By signing this letter, the permit holder acknowledges the receipt and accepts the terms of this Certificate of Substantial Completion.

**Re: Certificate of Substantial Completion for:**  
Project Title: Summit Eye Care  
Permit Number: PRPWFC20172853  
Permit Type: Public Works Infrastructure Permit - Commercial  
Work Description: Full site development - Summit Eye Care

A comprehensive inspection was completed for this project. It has been determined by Public Works that a Certificate of Substantial Completion can be released. The following items were incomplete as of the date of this letter. The developer, contractors and engineers have ninety (90) days to complete these deficiencies in accordance with the City of Lee's Summit's, Design and Construction Manual, Ordinance 5813. Failure to complete all items will result in a freeze of building permits until all items are corrected and a Certificate of Final Acceptance is issued.

**PUNCH LIST CORRECTIONS:**

- |                                   |                                                                                                                  |
|-----------------------------------|------------------------------------------------------------------------------------------------------------------|
| 1. Establish Vegetation           | 2. Maintain Erosion Control until vegetation is established.                                                     |
| 3. Remove any debris on the site. | 4. Finish Asphalt repair that is in the parking lot and re-paint any parking stripes that may have been damaged. |
