MO 291 & MO 50

Lee's Summit, MO

Gentlemen:

Kansas City Testing & Engineering, LLC was retained by Griffin Riley Property Group to provide Special Inspection Services.

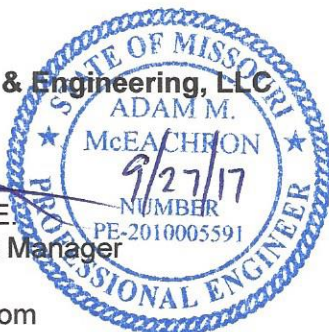

This is to certify that I or a qualified individual working under my direction inspected and/or tested the following items in accordance with the contract documents.

- |  |   |
|--|---|
| <input type="checkbox"/> Post-tension slabs                          | <input type="checkbox"/> Erection of Precast concrete                         |
| <input checked="" type="checkbox"/> Placement of reinforced concrete | <input checked="" type="checkbox"/> High Strength bolting                     |
| <input checked="" type="checkbox"/> Testing of reinforced concrete   | <input checked="" type="checkbox"/> Structural welding                        |
| <input checked="" type="checkbox"/> Placement of reinforcing steel   | <input type="checkbox"/> Steel frame inspection                               |
| <input type="checkbox"/> Placement of prestressing steel             | <input checked="" type="checkbox"/> Inspection of structural steel fabricator |
| <input checked="" type="checkbox"/> Bolts installed in concrete      | <input type="checkbox"/> Inspection of metal building fabricator              |
| <input checked="" type="checkbox"/> Verification of soils            | <input type="checkbox"/> Sprayed fire resistant materials                     |
| <input type="checkbox"/> Excavation and filling                      | <input type="checkbox"/> Firestopping   |
| <input type="checkbox"/> Drilled piers and/or piles                  | <input type="checkbox"/> Structural masonry                                   |
| <input checked="" type="checkbox"/> Earth retaining structure        | <input checked="" type="checkbox"/> Other: Drill & epoxy bolts, shear wall    |
| <input type="checkbox"/> EIFS  | installation, post-installed anchors, wood                                    |
| <input type="checkbox"/> Smoke control                               | shear walls & hold-downs, wood gravity  |
| <input type="checkbox"/> Seismic resistance                          | framing & placement   |
| <input type="checkbox"/> Detention basin                             |   |
| <input type="checkbox"/> Inspection of Precast fabricator            |   |

Sincerely,

**Kansas City Testing & Engineering, LLC**

  
Adam McEachron, P.E.  
Construction Services Manager
