Informational

- 1 On monday the 10th Freedom Concrete came out and formed ADA ramps on the corners of the streets in the subdivision. They were in a hurry so I was trying to keep up with them. After they were poured I went out to the site with Bob, Matt, Joe , John and Ron. When we put our level on the ADA there were several that do not pass city standards. I spoke with Dustin from Walters Construction and he said Marty from Freedom will get in contact with me. Steve Robbins 09/13/2018 3:04 PM
