Inspection Item:

Inspection:	Inspector:	Outcome:	Date:
DE-ESC - (Vegetation/Ground Cover)	Steve Robbins	Passed	Thursday, September 20, 2018

Informational

- 1 The vegetation for this site has been established. After each building was completed sod was installed at each building. On the back side/east of the apartments the vegetation has been established. Right now the work trailers are sitting on the property where the next phase is ready to begin in a few weeks. I am not going to make them dig this up and plant seed here when a parking lot will be going in its place. The vegetation has been established. Steve Robbins 09/20/2018 11:52 AM
