Inspection Summary

Permit #: PRSUBD20184050
Address:

This work has been inspected and the inspection results noted below. Please schedule inspections once all corrective actions have been completed. Do not cover any work until approved.

Inspection:	Inspector:	Outcome:	Date:
DE - Sanitary Sewer Construction Inspection	John DiMauro	Partial	Monday, March 18, 2019

Informational:

1 Misc

The Redford crew cored into the existing MH 55-106 and installed the pipe for line 3-A. They will install the invert at a later date.

The crew is continuing the install for the line 3-A. There appears to be sufficient aggregate surrounding the pipe. The wye fittings for the service laterals appear to be set at the correct angle.
