We wish to THANK YOU for your patronage and trust we have the pleasure of serving you in the future should the need arise.

WORKMAN _____

TO OUR CUSTOMERS: Servicemen are required to have work slips signed. This is done in order to protect you, the workman and ourselves, and to enable us to give you absolute satisfactory service. You are respectfully requested to examine material and labor statement before workmen leave the property, and if you find everything satisfactory, okay this ticket. If service is unsatisfactory in any way please phone the Kansas City Office immediately.

I find the time and material charged above satisfactory and agree to pay for same on presentation of statement, and further agree to pay all charges for collection, including attorney's fees in event of my default.
