Dear Mr. Frogge:

This letter will confirm that Geotechnology, Inc. has been selected to perform Special Inspections on the above referenced project for the items listed below. These services will be conducted in accordance with the provisions of Chapter 17 of the 2018 International Building Code. The activities that we have been contracted to observe include the following:

Placement of Reinforced Concrete  
Testing of Reinforced Concrete  
Placement of Reinforcing Steel  
Bolts Installed in Concrete  
Verification of Soils  
Structural Masonry

High Strength Bolting  
Steel Frame Inspection  
Structural Welding  
Post-Installed Anchors  
Shop Fabrication of Structural Steel

We understand that the scope of services indicated above is subject to your interpretation of the code requirements and will be finalized at the preconstruction meeting. Any changes to our scope of services will be subject to the client's acceptance of an amendment to our contract. Please contact Geotechnology if you have any questions about this letter.

Respectfully submitted,

**GEOTECHNOLOGY, INC.**
