Inspection Summary

Permit #: PRSUBD20180411
Address:

This work has been inspected and the inspection results noted below. Please schedule inspections once all corrective actions have been completed. Do not cover any work until approved.

Inspection:	Inspector:	Outcome:	Date:
DE - Detention Basin	John DiMauro	Partial	Thursday, March 19, 2020

Corrective Action Required:

1	Misc	During and after the rain event over the last two days the detention basin is holding a significant amount of water but does not appear to be nearing capacity and appears to be functioning as designed. I will continue to monitor the basin levels and inspect for silt and sediment build up over the next 48 hours to ensure that it is continuing to function properly.
