Permit #: PRSITE20193581
Address: 2001 NW SHAMROCK AVE, Unit:IR, LEES SUMMIT, MO 640812001 NW
 SHAMROCK AVE, LEES SUMMIT, MO 64081

Any person who shall continue work after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition, shall be subject to penalties as prescribed by law.

Inspection:	Inspector:	Outcome:	Date:
DE - Grading/Excavation/Fill Inspection	Ronald Paynter	Failed - Stop Work	Friday, April 03, 2020

Informational
1 Misc

Bair Excavating has been running 19 trucks of soil to achieve correct site elevation. Terracon has been on site testing lifts to ensure proper compaction. RP 3-7-20

Informational
2 Misc

Bair Excavating was running 18 trucks. I shut the site down after seeing the 4th truck leave the job site on the wrong side of the road for safety issues. RP 3-30-20

Informational
3 Misc

Bair Excavating was running 18 trucks. They had a truck trip over, had to get a tow truck to get it back on it's wheels. Informed Nick that trucks were leaving the site against traffic. I shut the site down after seeing the 4th truck leave the job site on the wrong side of the road for safety issues. RP 3-30-20

Informational
4 Misc

They had 16 trucks running soil today. No issues with trucks and

traffic laws today. They stopped dumping at 5PM to start cleaning Pryor Rd. Terracon was on site doing compaction tests. RP 3-31-20

Corrective Action Required

5 Misc

Bair Excavating has 16 trucks running soil for fill. Just shut the site down again due to weather, no construction entrance (full of mud) and mud being tracked out into the roadway. No more work until the site has had time to dry out. RP 4-3-20
