To whom it may concern,

The underground plumbing at 4409 SW Nautilus Place Lee's Summit, Mo. 64082 was installed in compliance with all applicable code requirements. The on-site supervisor, Dustin Adams, received verbal confirmation from the Lee's Summit City Inspector Jason McRoy that the underground plumbing had passed inspection but it was never documented. Thank you for your help in this matter.

A handwritten signature in black ink, appearing to read "Dustin Adams".
