Re: Wall Letter
120 NW MacKenzie

Dear Mike,

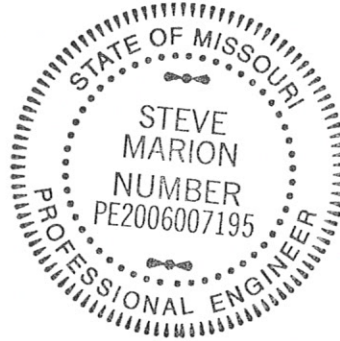

As requested, Aspen has reviewed the construction of the retaining wall for the 120 NW MacKenzie project. The wall construction appears to follow standard industry practices and the details dated 4-10-2020 provided by Aspen Engineering.

If you have any questions, please contact our office.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Marion".

Steve Marion, PE
