Re: Hawthorn Ridge Clubhouse Swimming Pool

To Whom it May Concern;

The swimming pool slide railing only comes from the manufacturer with a 36" hand/guard railing. There is no 42" guardrail provided on any of their slides. We have used this same pool slide and railing on other projects in other jurisdictions previously and have not found there to be any issues with it.

We have approved the use of this slide for this project as does the slide manufacturer.

Sincerely,

Dennis Bradley, Sr. Partner
