REES MASILIONIS TURLEY ARCHITECTURE, LLC
MISSOURI CERTIFICATE OF AUTHORITY # 00918

MATTHEW MASILIONIS - ARCHITECT
MISSOURI # A-6005

I have prepared the drawings and assume responsibility for the sheets numbered with an "A" prefix for the project named below.
Other drawings and specifications attached for the above-mentioned project have been by and are the responsibility of the licensed engineer whose stamp and firm appear on that sheet.
The Architect is not responsible for the design of the mechanical, electrical, plumbing, civil, landscaping, structural, signage (not specified), fire sprinkler or fire suppression systems; and does not take responsibility for the compliance of these areas with the laws of the above governmental entities. The architect is not responsible for materials, components or equipment, as well as the method in which they are installed on the project by others. The Architect is not hired or responsible for certification, during construction or upon completion of construction. The Architect is not responsible for improper operation due to faulty installation or product failure during construction or after completion of construction when operation has begun by the landlord or tenant.
The licensed professional whose stamp appears on sheets other than those specifically noted above shall be responsible for those items in paragraph three.
