4-20-20 ESS has done finished grading and put out seed with straw.

6-29-20 9:14am I walked the site with Kirk Middleton with ESS. There are some areas that still need erosion controls in place due to bare spots.

8-7-20 3:07pm I met with Steve Casey and Kara Taylor on site at the park to decide how much erosion control can be removed. The majority of it can be removed.
