Revisions Required

One or more departments have not approved the permit and the following is a list of requirements from the City of Lee's Summit that have not been satisfactorily addressed in the plans and specifications. Please address the comments as requested and provide three (3) copies of any revised sheets and/or additional information. Please contact the appropriate department regarding clarification of comments.

Development Services Department (816) 969-1200

Fire Department (816) 969-1300

Fire Plan Review	Reviewed By: Michael Weissenbach	Approved
Building Plan Review	Reviewed By: Joe Frogge	Rejected

1. The building permit for this project cannot be issued until the Development Services Department has received, approved, and processed the Final Development Plan.

Action required: Comment is for informational purposes.

2. The project cost, which is used to establish the permit fee, has not been provided.

Action required: Provide estimate cost that covers only the work done on this permit including but not limited to - foundation, electrical, plumbing, etc.

4. Additional information requested.

Action required: Will any under slab work be performed under this partial permit? If so, designs will be required. (plumbing, electrical, etc)
