Permit #: PRSITE20200044  
Address: 420 NW CHIPMAN RD, LEES SUMMIT, MO 64086

---

This work has been inspected and the inspection results noted below. Please schedule inspections once all corrective actions have been completed. Do not cover any work until approved.

Inspection:	Inspector:	Outcome:	Date:
<b>DE - Erosion Sediment Control (ESC) Inspection</b>	Joe Starlin	Partial	Thursday, September 17, 2020

Informational:

1	Misc	2-21-20 10:45am All erosion controls on this site are in place with a few areas needing clean up. The superintendent said he would address the issues.
---	------	--

Informational:

2	Misc	3-6-20 They have spoils close to the curb on both the North South and East West roads. I told the crew on site that they need erosion controls in place. 1:23PM They are installing silt fence on the north side and should be done with all erosion controls at the end of the day.
---	------	--

Informational:

3	Misc	3-10-20 10:36am The silt fence had a blow out at the north east corner of there lot. I spoke with the Super of the site and he will make the corrections today.
---	------	---

Informational:

4	Misc	3-17-20 I spoke with Gene Batson on site about his SWPPP book and keeping it updated. He said he would have it in place and keep it current moving forward.
---	------	---

Informational:

5	Misc	3-18-20 Silt fence is in place and holding at this time. 4-29-20 8:52am All erosion controls are in place and appear to be working.
---	------	---

9-17-20 9:32am The silt fence is down on the east side of the site and gutter buddy's are full. I have spoke with the contractor and he is going to address

the issues right away.
