RE:	Eagle Creek 16 th Plat
DATE:	September 17, 2020
PROJECT #:	018-0847

To Whom It May Concern:

I have reviewed the Master Drainage Plan of Eagle Creek 16th Plat and determined that adequate positive drainage exists for Lot 708 to be developed with a walkout basement.

Please accept this memo as record to supersede all previous plans for the lot in question.

Sincerely,

Nicholas D. Heiser, P.E.
