Informational:

2 Misc

3-19-20 There is no work taking place today do to weather. 4-29-20 8:50am There is no work on site at this time. Tanks are on site. 5-6-20 The crews are working in the building and erosion controls look good at this time. There are no inspections needed at this time. 5-27-20 There is no activity on site today. 6-1-20 The sub contractor that is installing the brick was stealing water. I have talked with Gene Batson the Superintendent to address the issue. 6-8-20 They are working today but there are no inspections required at this time. 8-13-20 2:48pm There is no activity on site that requires a inspection at this time. 9-9-20 10:35 I met with the crew installing the fire line and went over the thrust blocks. They will call later for a inspection. 9-10-20 11:29am There is no work being done today due to rain. 9-11-20 8:45am There is no work on site at this time. 9-15-20 11:02AM I talked with the superintendent about cleaning out the gutter buddy's. He said he would have it done. 9-21-20 9:48am I spoke with the superintendent about the gutter buddy on the NW side of the site. He has assured me it will be handled right away. 9-28-20 7:15AM The paving crew was on site and were going to pour. I had to stop them. It rained on Sunday 9-27-20 so we will need to proof roll again.

9-30-20 8:44am There is no one on site at this time.

10-19-20 3:40pm There is no work on site that requires inspected.

10-20-20 9:36am The silt fence is down and will need fixed. I'm calling the superintendent about the issues.
