

ADD 01 - CHANGES TO THE
PLANS AND SPECIFICATIONS

Saint Luke's East Hospital
Lab Remodel
WLC 2020.084

Oct 12, 2020

Bidders are informed that the above project plans and specifications are modified, corrected and supplemented as follows:

DRAWINGS

PLUMBING

DP2.1

1. DELETE keyed notes 7 & 8 and demolition of Break Room sink, coffee maker, and associated domestic hot & cold water, waste & vent piping.

P2.1

1. REVISE drawing to show piping to existing break room lightly, as "existing to remain."
2. DELETE keyed note 9 and work to re-install break room sink & coffee maker in a new location.
3. DELETE coffee maker from Plumbing Fixture Schedule

MECHANICAL

DM2.1

1. REVISE keyed note 2 to clarify that return air ductwork and grilles serving Cyst 1A041G and temporary break area shall not be demolished until after phase C.
2. REVISE keyed note 5 and demolish the entire 22"x8" return air branch duct serving the break room and patch the main duct as required.
3. ADD keyed note 6 and disconnect & relocate one (1) lab exhaust grille to keep it out of the temporary break room area.

M2.1

1. REVISE sheet metal layout at right side of plan per Architectural plan changes in that area.
2. REVISE sheet metal layout at left side of plan per revised location of biosafety cabinet.
3. ADD keyed note 7, new exhaust ductwork, and new location for exhaust grille that was disconnected during demolition.

DMP2.1

1. DELETE demolition of one (1) thermostat & wiring serving existing office, since that office is no longer being modified.

MP2.1

1. DELETE one (1) new thermostat & wiring (these items are now shown lightly, as "existing to remain" in an office that is no longer being modified).
2. REVISE location of one (1) new thermostat & wiring on right side of plan, per Architectural plan changes in that area.
3. REVISE locations of one (1) thermostat and fume hood monitor on left side of plan, per revised location of biosafety cabinet.

ELECTRICAL

DEL2.1

1. MODIFY lighting demolition in Supervisors Office, Breakroom and Shared Office. All changes have been clouded on revised sheet.

DEP2.1

1. REVISE devices in Supervisor Office and Breakroom to be existing to remain. All changes have been clouded on revised sheet.

DEC2.1

1. REVISE devices in Supervisor Office and Breakroom to be existing to remain. All changes have been clouded on revised sheet.

EL2.1

1. MODIFY lighting in Supervisor Office, Breakroom and Shared office. All changes have been clouded on revised sheet.
2. ADD fixtures types A and B to Lighting Fixture Schedule. All changes have been clouded on revised sheet.

EP2.1

1. REVISE location of devices serving workstation and hood to coordinate with revised architectural layout. All changes are clouded on revised sheet.
2. REVISE location of emergency duplex receptacle on west wall temporarily serving analyzer and ADD one (1) additional emergency receptacle to feed printer. All changes have been clouded on revised sheet.
3. ADD one (1) emergency receptacle for blood bank refrigerator. All changes have been clouded on revised sheet.
4. REVISE location of power poles in Blood Bank to coordinate with revised architectural layout. All changes have been clouded on revised sheet.
5. REVISE devices in Supervisors office, Break Room, Shared Office and Coordinator office to coordinate with revised architectural layout. All changes have been clouded on revised sheet.

EC2.1

1. REVISE location of data drop serving workstation to coordinate with revised architectural layout. All changes are clouded on revised sheet.
2. ADD data/telephone drop to serve printer. All changes have been clouded on revised sheet.
3. REVISE location of power pole in Blood Bank to coordinate with revised architectural layout. All changes have been clouded on revised sheet.
4. REVISE devices in Supervisors office, Break Room, Shared Office and Coordinator office to coordinate with revised architectural layout. All changes have been clouded on revised sheet.
5. ADD four Hospital paging speakers in open Lab area. All changes have been clouded on revised sheet.

END OF ADD 01
