<b>Site Visit Inspection</b>	Matt Munger	Partial	Friday, October 23, 2020

### Corrective Action Required

1	Misc	Site visit: The address for the permit doesn't not match the aerial map that was uploaded. I sent an email to ECC to clarify. I did drive by the area the map showed work being done. Some of the relocation work appears to have taken place, there are some pits open but have construction fencing around them. Will monitor work.
