Plan Review Conditions

Attn: Mr. Joe Frogge, Plans Examiner

Dear Joe,

I believe that we have addressed and changed the items per your Plan Review Conditions dated 10/28/2020 except for the drinking fountain. It is my understanding the tenant does provide for her customers a refrigerator with bottled water and a water dispenser.

The other item is that the MEP subcontractor: Plumber is Larry Weir (sp ?) LRW Plumbing.

All of the other items and corrections have been noted on the plan dated 10/29/2020 which I have submitted with this letter.

Please let me know if you need any further information or clarification.

Sincerely,

Dan Little
