LEE'S SUMMIT MISSOURI

Lee's Summit Residential Permit Application (continued)

Submittals for new homes shall include the following:

- (2) copies of a plot plan prepared and sealed by Missouri State design professional.
- Completed Residential Permit Application.
- Completed Excise Tax Form.
- (2) copies of construction documents* prepared by registered design professional licensed by the State of Missouri and sealed in accordance with Missouri Board for Architects, Prof. Engineers, Prof. Land Surveyors and Prof. Landscape Architects.

* Construction documents shall be specific to the listed address and not to be used at any other location.

Deferred submittal requirements: (Trusses, engineered joists, etc.)

When approved by the building official some portions of the design may be deferred. The registered design professional in responsible charge shall list the deferred submittals on the construction documents for review by the Building Official. Submittal documents for deferred submittal items shall be submitted to the registered design professional in responsible charge who shall review them and forward them to Development Services office with a notation/stamp/similar indicating that the deferred submittal documents have been reviewed and that they have been found to be in general conformance with the design of the building.

AFFIDAVIT: I hereby certify that I have the authority to make the foregoing application and that the application, to the best of my knowledge, is complete and correct and that the permitted construction will conform to the regulations in the Codes adopted by the City of Lee's Summit and all applicable ordinances.
