Inspection Summary

Permit #: PRSUBD20190654

Address: 2030 NW OBRIEN RD, LEES SUMMIT, MO 640812020 NW OBRIEN RD, LEES SUMMIT, MO 64081500
NW PRYOR RD, LEES SUMMIT, MO 64081450 NW PRYOR RD, LEES SUMMIT, MO 64081

This work has been inspected and the inspection results noted below. Please schedule inspections once all corrective actions have been completed. Do not cover any work until approved.

Inspection:	Inspector:	Outcome:	Date:
Site Visit	Ronald Paynter	Partial	Tuesday, November 24, 2020
Informational: 1 Misc	Talked with Brian from Randy Spalding. They are re-grading the roadways on Shamrock, Grady and Joshua. Plan is to let them bake a couple more days before trying the proof-roll. RP 6-8-20		
Informational: 2 Misc	Met Brad from JK Concrete on site. Answered questions concerning curb and sump inlets. RP 6-17-20		
Informational: 3 Misc	Superior Bowen is attempting to clean the asphalt off of the concrete section of Shamrock. I will have Public Works check its status for approval on Monday. RP 8-1-20		
Informational: 4 Misc	The Water Dept installed construction taps for the water main on Joshua and Ashurst. RP 9-25-20		
Informational: 5 Misc	Brian's crew from Spalding has been grading the west side of Pryor and O'Brien for the sidewalk and ADA ramps. RP 9-29-20		
Informational: 6 Misc	K & G Striping was on site laying out the new crosswalks for Pryor and O'Brien intersection. They will also be removing the old crosswalks. They installed new crosswalks, stop bars and turn lane arrows. RP 10-19-20		

Informational:

7 Misc

Brett from K&G Striping was laying out street lanes on Pryor and O'Brien intersection. I had Nick Lightner from Public Works help me with this installation. RP 10-20-20

Informational:

8 Misc

Talked with Capital Electric, who was on site installing the last ped crossing signal. There is a old concrete base that still needs to be removed. Capital is going to find out if it was their old ped signal base. K&G Striping finished applying the double yellow lines on O'Brien. They also corrected the orientation of the street signs on Shamrock. RP 11-2-20

Informational:

9 Misc

Walking the subdivision, compiling items that need to be repaired or corrected for the punch list. RP 11-16-20

Informational:

10 Misc

Redford crew out working on damaged stop sign and adjusting manholes. Teague Electric is still working on power installation and trying to keep the roadway clean. RP 11-24-20
