Informational:

1 Misc

11-11-20 2:06pm I spoke with Justin about installing water and sanitary line. He wants to do the water tie in next week.
11-16-20 11:41am I checked on a concern from a citizen about the asphalt. All asphalt damage is pre-existing.
11-23-20 9:02am There is no work taking place at this time.
11-24-20 8:02am There is no work on site today.
11-30-20 9:04am Howerton Plumbing is on site to dig for the water line past a power pole.
12-4-20 12:05pm I am meeting Steve Robbins and Kent Moter on site to look at the detention basin. The contractor made changes without a re-submittal.
12-7-20 9:23am They are on site laying out materials. They will not need any inspections today.
12-8-20 9:01am There is no activity on this site at this time.
12-9-20 9:56am Renaissance Infrastructure Consulting is on site taking shots. No other work is taking place.
12-11-20 7:32am There is no work on site due to weather.
12-14-20 7:48am There is no work taking place at this time.
12-14-20 1:45pm I met with Justin on site to discuss setting up a time for the hydrostatic test for the water line. We will test on 12-15-20 at 10:30am.
12-15-20 The equipment has failed so they will try again tomorrow.

12-16-20 10:47AM Howerton Plumbing are setting up for a hydrostatic test later today.
12-28-20 9:30am Howerton is on site to work on sanitary.
12-31-20 10:51AM There is no work one site today.
1-5-21 7:57am There is no work taking place at this time due to weather.
1-11-21 9:30am There is no work on site at this time.
