Rejected

1. Inadequate information to complete review.

Action required: Label the actual use of each space. i.e. Office, Storage, Retail, etc.

2. 2018 IBC 2902.3.1 Access. The route to the public toilet facilities required by Section 2902.3 shall not pass through kitchens, storage rooms or closets. Access to the required facilities shall be from within the building or from the exterior of the building. All routes shall comply with the accessibility requirements of this code. The public shall have access to the required toilet facilities at all times that the building is occupied.

Action required: Public access to toilet required but not allowed through furnace room. Modify drawing to show actual access or provide alternate entry door.

3. The project cost, which is used to establish the permit fee, has not been provided.

Action required: Provide cost estimate (even if quite low) as we need this number to calculate permit cost which will more than likely be the minimum of \$50.
